1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am customer of the Carolina Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Our household consists of 2 adults. We continue to try and conserve our water usage due to the fact that the cost of our water is higher than what we were paying when living in Charlotte NC. CWS's request for 80%+ increase in customer's rates is outrageous. If operating and maintenance expenses have only increased 6% per year since 2005, this equates only to roughly 36%. Their request for the additional 44% monies is pure greed. Their increase should be denied.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

No.
